New criteria for COVID-19 testing as from 1 June 2020 in the Cape Metro

To find those most at risk of Coronavirus, you will ONLY be tested if:

1. You are already in hospital and have coronavirus symptoms
2. You are a health care worker with coronavirus symptoms
3. You are over 55 years, have other illnesses such as diabetes, hypertension etc and have coronavirus symptoms
4. You are under 55 years with underlying conditions and have coronavirus symptoms
5. You live in a care or old age home and have coronavirus symptoms

All persons accessing a health facility will be screened but **ONLY** those who have symptoms and fall in one of these categories will be tested.
